

HCS Portal - Login instruction

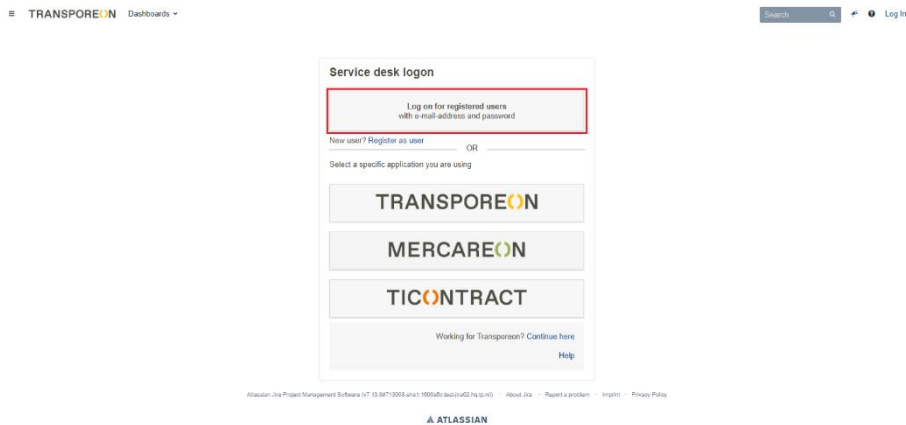

How should I log in?

If you are a user of one of the platforms, please click on its name.

You will be transferred to a login page. To enter the Portal, use the same login data as for your platform.

If you usually do not use any of the platforms, but you already created an account on the Portal, please choose an option “Login with username and password”

In case, you do not have an account and you are not a user of the platforms, please choose an option “Sign up for an account”

Service desk logon

Log on for registered users with e-mail address and password
